SIR,

With reference to your No. 5932/San. 31-29- dated 11th November 1929 and subsequent communications, calling for information after consultation with the Comptroller, as to what amount could be spared out of the lumpsum provision made in the Budget for the Re-organisation of the Public Health Department, for meeting the cost of Bureaux of Sanitary Engineering &c., I have the honour to state that I just received Comptroller's statement of sanctioned expenditure of Rs. 42,649 so far as against the lumpsum provision of Rs. 33,900/- made in the Budget for the Re-organisation. Under the circumstances it is obvious that nothing can be spared from this grant for the Bureaux of Sanitary Engineering.

I enclose for favour of your information a copy of Comptroller's Statement.

I have the honour to be

Sir,

Your most obedient servant
